

Troop 354 Driver's Information

Please sign and return. Accidents related to transportation to and from outings is the number one killer of scouts during scouting events. We want to help ensure the safety of our boys and leaders on outings. This is also a requirement for a Safety and Preparedness award our troop can earn. Thank you!

Driver's Pledge

- I will not drive when I feel fatigued. I realize that when I am fatigued, I process information more slowly and less accurately and this impairs my ability to react in time to avoid accidents.
- I will arrange my schedule so that several days before a Boy Scout "driving trip," I will get a good night's sleep every night to avoid the cumulative effect of not getting enough sleep.
- I will make trip preparations far enough in advance so that last-minute preparations don't interfere with my rest.
- I will make travel plans that take into account my personal biological clock and only drive during the part of the day when I know I will be alert.
- I will be smart about engaging in physical activities during Scouting outings and will make sure that I will be ready to drive alertly.
