

**Leaders grow,  
they are not  
made.**

leadership is that  
somebody  
follows.**

people to work for you  
when they are not  
obligated.**

A real leader faces the music, even when he doesn't like the tune.

Effective leadership is  
not about making  
speeches or being liked;  
leadership is defined by  
results not attributes.

A good leader inspires  
others with confidence  
in him; a great leader  
inspires them with  
confidence in  
themselves.

Leadership is getting  
someone to do what  
they don't want to do,  
to achieve what they  
want to achieve.

– Tom Landry

Leadership is the special quality which enables people to stand up and pull the rest of us over the horizon.

I am more afraid of an  
army of 100 sheep led  
by a lion than an army  
of 100 lions led by a  
sheep.

— Talleyrand

Leaders don't force  
people to follow – they  
invite them on a  
journey.

Leadership has a harder  
job to do than just  
choose sides. It must  
bring sides together.

– Jesse Jackson

*The first step to leadership  
is servanthood.*

Whoever is careless  
with the truth in small  
matters cannot be  
trusted with the  
important matters.

- Albert Einstein

The first  
responsibility of a  
leader is to define  
reality. The last is to  
say thank you.

**Where there is no  
vision, the people  
perish.**

**- Proverbs 29:18**

People are more  
easily led than  
driven.

No man will make a  
great leader who wants  
to do it all himself, or to  
get all the  
credit for doing it.

- Andrew Carnegie

*The task of the leader  
is to get his people  
from where they are  
to where they  
have not been.*

a thing or that you  
cannot do a thing, in  
either case you

Not everything that is  
faced can be  
changed. But nothing  
can be changed until  
it is faced.
